Dear Applicant:

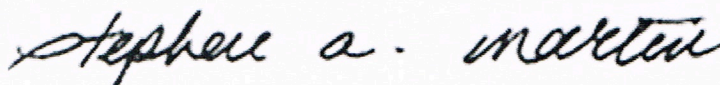

This is in response to your March 17, 2020 request to be exempt from the requirement to file Form 990, Return of Organization Exempt from Income Tax.

Treasury Regulation Section 1.6033-2(g)(1)(iv) provides that a mission society exempt from taxation under Section 501(a) of the Internal Revenue Code and sponsored by or affiliated with one or more churches or church denominations, more than one-half of the activities of such society are conducted in, and directed at persons in foreign countries, is not required to file Form 990. Based on the information you provided in your request, we've determined that you are such a mission society. Therefore, in accordance with the above regulation, you are not required to file Form 990. We will update our records accordingly.

As an organization exempt from federal income tax under Section 501(c)(3), you must fulfill a number of other requirements under the Internal Revenue Code. For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, *Compliance Guide for 501(c)(3) Public Charities*, which describes your recordkeeping, reporting, and disclosure requirements.

If you have any questions, please call our toll-free number shown in the heading of this letter.

Sincerely,
